## IMPORTANT SEX OFFENDER REGISTRATION INFORMATION

As of November 1<sup>st</sup>, 2007 the rules and restrictions applying to Registered Sex Offenders in Oklahoma have **DRASTICALLY** changed. Even if you were already registered or released from the duty to register before November 1, 2007, **THESE NEW CHANGES APPLY TO YOU!** Under the new "Risk Assessment Classification System" every individual who is or has been required to register is assigned a "level" by the government to determine the length of their duty to register.

Since the enactment of this new law, **MOST** offenders have been since ordered to **REGISTER AS A SEX OFFENDER FOR LIFE!** Failure to do so can and will result in new Felony Criminal Charges and Incarceration in State Prison. The requirements of the Sex Offender Registration interfere with your ability to find a place to live, work, and to ever move forward with the rest of your life.

But there is hope.....

These new laws also provide the ability for the risk assessment classification level to be **CHALLENGED** and **OVERTURNED!** Careless, uninformed, and harmful classifications by the DOC can be shown to be inaccurate, prejudicial, and can be changed. You can have the length of your duty to register cut short by 10 years or more, and in some cases **YOUR DUTY TO REGISTER CAN BE COMPLETELY ELIMINATED!**

To stand up and fight for your rights, you need powerful, knowledgeable and professional representation to battle these oppressive laws. At Atkins & Markoff, our results, reputation, and dedication to our clients in these cases is unsurpassed. We understand the most effective and efficient ways to attack your classification and give you back the privacy and freedoms that you deserve!
